

EMPI's UDAI PAREEK HR-LABS, New Delhi

Announces Workshop on

**FINANCE FOR NON FINANCE
EXECUTIVES**

3rd & 4th July, 2010

India Habitat Centre, New Delhi

EMPI Business School, New Delhi

Ph: 011-26652432, 428, 435 Fax: 26654422 Website: www.empiindia.com

Overview

In today's competitive world, knowledge of Finance is essential for all managers. Managers need to take decisions, form strategies and align them with the corporate objectives. Understanding and applying the concepts of finance is the key to making right decisions and ensuring maximum returns. This programme will help non-finance managers to transform the financial language and concepts into decision making tools, which they can use successfully to enhance the value of the organization

Objectives

- Understanding and Analysis of Financial Statements:
- Management of Liquidity and Profitability in the emerging business environment,
- Financial Analysis for Inventory Management
- Purchasing Management
- Responsibility accounting (Revenue, Profit and Cost centers) and Transfer pricing
- Mechanism of financial controls including budgeting in Public Sector organizations.
- Financial and Performance Budgeting

Who Should Attend

Any executive interested in understanding and learning basic financial concepts.

Pedagogy

The workshop uses participative discussion, cases and practical assignments to achieve the learning objectives. Participants are encouraged to bring their problems to the workshop with an objective to learn through discussion and experience sharing.

Resource Persons

Dr. A. S Chawla

Dr. A. S. Chawla is currently holding the position of Dean of the Business faculty and heads the School of Management Studies at Punjabi University, Patiala, India .He also holds the position of Director, Finance and Dean Advancement at the same university.
