## **What are the requirements for admission in PG courses?**

The minimum eligibility criteria for admission to Post Graduate Program is at least a 3-year Bachelor's degree or equivalent in any discipline recognized by the Association of Indian Universities/AICTE as eligible for Post graduate Studies. Candidates in the final year of a Bachelor's degree course (or equivalent) are also eligible to apply. However they are required to furnish proof of Graduation before 30<sup>th</sup> November of the year of joining.

## **What is the Admission Procedure for PG courses?**

All applicants should first pre-qualify through EMPI prescribed tests. As such all applicants taking the CAT / MAT / XAT / ATMA / JMET examination, achieving high percentile score are considered for selection for the various streams of Post Graduate Studies. This attainment is considered as pre-qualification for stage - II selection procedure of EMPI. All candidates clearing the pre-qualifying test are also required to go through EMPI's comprehensive Personality Assessment and Profiling Exercise conducted at our Personality Assessment Centre - resulting in building up of a datasheet on each candidate's strengths/ weaknesses. This is subsequently availed to support the student in developing his/her personality through Personality Assessment Centre, Enhancement and Upgradation Processes (PACE-UP) Programme.

## **What is the cost of Application form and how do I get it?**

Prospectus and Application Form priced at Rs. 1200/- is available at the EMPI Campus. You can also download the application form from EMPI web-site. Completed downloaded form should be submitted alongwith a Demand Draft of Rs. 1200/- drawn in favour of EMPI Business School payable at New Delhi.

## **What is the fee structure for PG programmes?**

7.20 Lacs including Tuition, Hostel, Food, Laptop, wi-fi satellite connected hi-tech Laptops, Uniform, Books etc. this also includes a refundable deposit of Rs. 15,000/-.

## **What is your cut-off in MAT / CAT / XAT / ATMA / JMET?**

50<sup>th</sup>ile. However we conduct day long Personality Profiling Exercise including Psychological Testing, Group Discussion and Personal Interview for leveling various factors of selection standard. Based on performance in all these tests, their Academic achievements and Work Experience, cut-off for admission is determined.

### **What is the infrastructure of EMPI Business School?**

- Pollution free vast green campus.
- Multimedia Computer Centre with Wireless Satellite connection.
- Wide inductive learning horizons in the Capital City.
- Regular Bus Linkage to the city.

### **What would you call as different in your pedagogy?**

EMPI is emerging as a research and case driven residential B-School. Attempt is to synergize what is best in India with the best of the world on an on-going basis through inter-twining and networking. Emphasis on ‘learning by doing’ enables lot more Project activity and close Industry-interaction. Use of internet in globally linked research is yet another unique feature attempted by our students.

### **How can I get an education loan? Does the institute provide Loan facility?**

Certain banks offer education loans, which the student can avail to cover their academic, hostel and other expenses. Necessary paper work support and certification is provided by EMPI to facilitate you to get your loan.

### **Why the hostel accommodation compulsory?**

The Programme is designed as a residential programme for various reasons. The learning takes place during classroom sessions and even after that. Students are required to work on various projects and their working hours extend till late evenings.

For students at EMPI the learning takes place during their post-classroom time discussions. They work in teams. The vigorous and tight schedule is the first lesson they learn from the Institute. The students work for long hours. All this is possible when they are in the campus for 24 hours.

**How is the teaching faculty?**

The Institute has a balanced strength of faculty resources having rich experience in academia & the industry. The Faculty at the Institute functions to bring about a right mix of theory, application along with proportionate practice, which caters to, the on going industry needs.

**What are the placement activities?**

Regular placements service has been set up at EMPI, under senior faculty for industrial contact. Students drive the activities of the placement office. Necessary pro-active steps are taken to facilitate a variety of interactions with industry and business enterprises around the year, to make them aware of the unique features of the EMPI programme. We have an excellent record in placing our students for summer and final placements in various organizations. We are able to place 100% of our students.
